END-OF-DAY SELF-CHECK

You'll know it was a great day if you can answer YES to all five.

☐

1. Did I reach my 2–3 committed must-call agencies?

☐

2. Did I find at least one new contact inside an existing agency?

☐

3. Did I make at least one prospecting touch on a new agency?

☐

4. Is HubSpot fully clean — every call logged, every stage current?

☐

5. Are tomorrow's must-call agencies picked and prepped?

WHAT A GREAT DAY LOOKS LIKE

Three Tier 1/2 calls landed with intent. New producer met. One prospect contacted. HubSpot tells the same story your week tells. Tomorrow's anchors set before you log off.

Keep Moving.
